One man's thrilling journey through an enchanted world to find his wife, who has disappeared after seemingly committing an unforgiveable act of violence, from the award-winning author of the *The Devil in Silver* and *Big Machine*. Apollo Kagwa has had strange dreams that have haunted him since childhood. An antiquarian book dealer with a business called *Improbabilia*, he is just beginning to settle into his new life as a committed and involved father, unlike his own father who abandoned him, when his wife Emma begins acting strange.
