

Raw Need (Larson Brothers, #2) Zane Larson has done everything he set out to do: conquered past demons, saved lives through his music, and toured the world as the frontman for one of the most popular rock bands in the world. This life—and an escape through music—was supposed to be everything he’s ever wanted, but after meeting Rowan, Zane’s no longer sure. Soon after her husband’s death, Rowan Dugas learned she was pregnant. With grief and uncertainty her only companions, Rowan was only able to find an escape through music; specifically Zane Larson’s hypnotic voice. But after meeting the sexy lead singer of her favorite band, Rowan can hardly believe he’s interested in her. But Zane also has a painful connection to her unborn child - Zane's brother is responsible for her husband's death. Torn between the only family she has left, and a life with Zane unlike anything she’s dared to dream about, Rowan’s decision will change her fate forever. This new title from New York Times bestselling author Cherrie Lynn is a heart wrenching, emotionally intense story that will leave readers breathless. ...more [Raw Need \(Larson Brothers, #2\) PDF ebook](#)
