What do you do when everything you trust might be a lie? Vivian Miller is a dedicated CIA counterintelligence analyst assigned to uncover the leaders of Russian sleeper cells in the United States. On track for a much-needed promotion, she—™s developed a system for identifying Russian agents, seemingly normal people living in plain sight. After accessing the computer of a potential Russian operative, Vivian stumbles on a secret dossier of deep-cover agents within America—™s borders. A few clicks later, everything that matters to her—™her job, her husband, even her four children—™are threatened. Vivian has vowed to defend her country against all enemies, foreign and domestic. But now she—™s facing impossible choices. Torn between loyalty and betrayal, allegiance and treason, love and suspicion, who can she trust? ...more [Need to Know PDF ebook](#)
