

A Viscount's Proposal (The Regency Spies of London, #2) Leorah Langdon has no patience for Regency society's shallow hypocrisy and unnecessary rules, especially for women. She's determined to defy convention by marrying for grand passion instead of settling for a loveless union like her parents' or wedding a stuffy, pompous gentleman like Edward, the Viscount Withinghall. But when a chance meeting in the countryside leads to Leorah and Withinghall being discovered in his overturned carriage alone and after dark the ensuing gossip may force them together. Withinghall has his reasons for clinging to propriety; his father perished in a duel with his mistress's husband, and Edward must avoid scandal himself if he wants to become prime minister. He certainly has no time for a reckless hoyden like Miss Langdon. But soon the two discover that Withinghall's coach "accident" was no such thing: the vehicle was sabotaged. Can the culprit be brought to justice? Strong-willed Leorah and duty-driven Withinghall will have to work together if they have any hope of saving her reputation, his political career and his life. ...more A Viscount's Proposal (The Regency Spies of London, #2) PDF ebook
