Ruby Masters just saw a woman die. And discovered The New Rulebookâ€™ something she knows nothing about. But it knows everything about herâ€™ enough to frame her for murder. Ruby calls on the one person she trusts, her best friend, Robert Towers. Robert will find a way out. He always has. But she didnâ€™t count on him falling in love with herâ€™ and turning Christian. His unrelenting grip on a newfound faith irritates Rubyâ€™ until she finds herself captured behind enemy lines, helpless, alone, and with no way out. When all human effort fails, what she gets at the end, is the one thing she didn't see coming, completely changing her life and Robertâ€™s. The New Rulebook, is taut with suspense and action, then dipped in romance. ...more The New Rulebook PDF ebook
