

Don't Let Me Die A perfect family. A moment that will change everything. Emma wakes up in hospital with no memories of the past 24 hours and no idea why sheâ€™s there. And her husband and son refuse to visit her. As she frantically tries to piece together her memories to find out what happened, Emma is desperate to en A perfect family. A moment that will change everything. Emma wakes up in hospital with no memories of the past 24 hours and no idea why sheâ€™s there. And her husband and son refuse to visit her. As she frantically tries to piece together her memories to find out what happened, Emma is desperate to ensure her loved ones are safe. But all she can remember is the last thing she saw before she blacked out: a pair of cold, dark eyesâ€™ An addictive and page-turning psychological thriller that will have you looking over your shoulder and checking the doors are locked. If you love B.A. Paris, Shari Lapena and K.L. Slater, *The Last Thing I Saw* is for you. ...more
