

**The Theory of Second Best (Cake, #2)** Twenty-two-year-old Kyle McKallister has lived his life in the shadows. Younger brother to one of the world's most elusive and embattled celebrities, Kyle has carved out a comfortable existence touring with his famous brother and living in the lap of luxury with no commitments or plans of his own, only a deep, haunting loyalty to his brother. But his life is about to be shaken up when the opportunity comes to compete on a popular reality show. Small town girl Kenzie Williams has come on the show for one thing only: to win. But when a disastrous start forces her to rely on an eclectic band of misfits, she finds herself immediately smitten with a handsome and mysterious cast mate. But life on the island is just a game. Can Kyle and Kenzie's fragile spark survive the pressures of the real world? ...more The Theory of Second Best (Cake, #2) PDF ebook
